

LED InfraRED - 500W

SPECIFICATION

Material	Aluminum
Power Consumption	500 W
Infrared Beam Wavelength	850/940nm
Voltage	220 VAC
Beam Angle	20°
Safety Standard	CE
Net Weight	11Kg
IP Rating	IP 65
Operating Temperature	-30°C to +60°C

DIMENSION

FEATURE

Ultra-high Light Output

Low Maintenance

Waterproof

Heavy Duty Construction

Long lifetime

Light-Weight

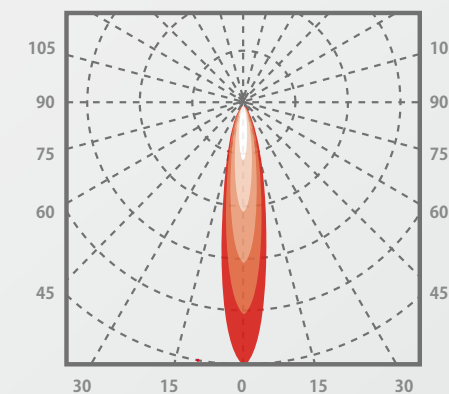

PF > .95 ~220VAC

APPLICATION

- Security and Surveillance
- Search and Rescue
- Military Night Vision

20° LIGHT PATTERNS
